What is Ram Central?

RAM Central is an integrated student service center that supports the Office of: Admissions, Financial Aid, Registrar, and Student Accounts. It eliminates the need for a student to visit several locations, by housing many of the needs in one location. RAM Central has experts available from these various offices who quickly assess student concerns. The experts assist on the spot to avoid shuffling students across campus. RAM Central also consists of an operational on-site solutions contact center to assist without physically visiting the campus. It is designed to provide seamless services for students and their families.
